This event is held in conjunction with the Dakota Woodturners Club annual Hands-On Woodturning Symposium where nationally known woodturning demonstrators/instructors come to teach and pass on their unique talents and styles to local Woodturners. You are invited to view samples of woodturning by these professionals and local Woodturners. Local club members will be available to answer questions regarding woodturning, getting started in woodturning and provide information on club membership and activities.

NORTH DAKOTA COUNCIL ON THE ARTS

This project is supported in part by a grant from the North Dakota Council on the Arts, which receives funding from the state legislature and the National Endowment
