AAW Chapter #115

Prez Sez

November 2025

I would like to start off by saying "Thank You" to all that helped with the session at the Career Academy and the students from the school's virtual group. The virtual group session was Productive, and with mentor support, the students quickly learned the turning process and completed several projects during the session. I would like to thank those of you who helped with the Mandan Moose Demonstration.

We have a "would you like to turn" event schedule for November 12, 2025, from 6:00pm until 8:30pm at the Bismarck Career Academy. This is in follow-up to the Mandan Moose demonstration, where we had a few folks register for the event, but we can certainly handle additional participants. So, if you know someone that may be looking to give wood turning a try, please let them know about the November 12th event and let us know their name at Saturday's meeting.

I would like to let you know that there will be an Open House Reception at BAGA on Friday evening from 5:00pm to 7:00pm. Please know that it is free and you are welcome to attend and see the display of wood art. We had several members contribute to this display and I am excited to see the wood turned items on display in an art gallery setting. If you cannot attend Friday evening, you can view the display during BAGA's regular business hours during the month of November.

KEY UPCOMING DATES:

Next Club meeting: Sat, November 8

Would you like to turn: Wed Nov 12.

Getting blanks ready for CA next semester: 8-9am (before meeting) on Nov 8.

That is about it for the month of November, and I hope to see you at the meeting on Saturday. I had best get out to the shop and get busy. As always "Keep the Chips and Ribbons Flying" and do it safely.

Ron

DWT Meeting Minutes

October Minutes not available at "press time". Stay tuned next month to read these.

Show and Share Oct 11:

George Scholl Celtic Pen Demo:

Items for Sale:

Weldee is selling his snow blower. He has had it serviced through John Deere every season and just got it back a few days ago.

Honda Hydrostatic Drive

Model: HS828K1

28" Wide

He's asking \$950, they sell used on eBay for ~\$1,500

They can contact Weldee directly at:

(701) 471-1008

If interested, refer to earlier email to the club from Mark for photos.

Tracy Rohde is selling ALL of his turning equipment as a bundle.

For now he wants to keep the items as a bundle or he is open to offers on my lathe or Air Filtration unit. Once the lathe sells he would be open to selling everything else.

Contact Tracy at 701-426-5853.

If interested, refer to earlier email to the club from Mark for photos.

Woodturning Package Listed By Tracy Rohde
Phone 701-426-5853

At This Time I am neglecting to part out my entire inventory. However, If my Turning Lathe sells and they do not want the entire package then I am willing. Right Now I have one Price on this Entire package. The price is \$2250.00 For Everything I got some Pictures included. Offers would be considered only on the 1 HP Jet Lathe at this time or Air Filtration as willing to separate. This has legs or Legs can be removed and mounted on a Bench a big enough Span for turning baseball bats. This is a very

fair price for what I have invested, it would cost more than double this if you would buy this all new. Everything is in decent Shape

Inventory List.
